# SIMPLE. FRESH. GOOD.

In 1981, Mom and Dad Buonavolanto created The Buona Companies with a simple idea: you don't have to make food complicated to make it delicious and satisfying. Their approach wasn't fancy, but they knew that simple preparation of fresh ingredients is what makes Italian food so good.

Our Original Family Recipe BUONA Beef is still made with the finest quality, all natural sirloin, trimmed of fat, slow roasted daily in our ovens, with just the right seasonings and spices, and no preservatives, so it's tender, lean, and full of flavor.

Our Italian bread is baked fresh throughout the day. We also make a host of other ingredients ourselves, like salad dressings, roasted peppers, candied walnuts and Parmesan chips. And we select the freshest lettuces and mixed greens, herbs, garden fruits and vegetables, and fresh Mozzarella and ricotta. In addition, we search out only the best quality prepared ingredients, such as marinated artichoke hearts and imported olive oil, balsamic vinegar, Parmesan and Gorgonzola cheeses and Prosciutto. Our motto is "good food made fresh, to taste great." And that's how we want you to feel every time you order from Joey Buona's Catering.

## PARTIES. MEETINGS. EVENTS.

For nearly 25 years, we've offered our guests a convenient way to bring the great tastes of Joey Buona's back to their homes or offices, picnics or meetings.

If you're planning a party at home, we offer you a wide selection of food, so there's something everybody can enjoy. If you're ordering for your office, we make it easy and worry-free, so you can entertain clients or make colleagues feel special with a choice of hot or cold options. And for everyday dinners or last minute get-togethers, there's nothing easier than letting Joey Buona's do the cooking for you.

So take a look at our Fresh Salads (page 4) and Café Sandwiches... (page 5) they're served chilled and refreshing. Or experience our Hot Italian Buffets (pages 6-7), including BUONA Beef and other Italian entrées and pasta specialties. They can be ordered as part of a Buffet - and delivered ready to heat and serve. Or you can pick up anything on our "A La Carta" menu (see page 7) at our Milwaukee restaurant location.
